

***"It's the highlight of
their week!"***

This sentiment is often heard from parents throughout the Awana year. Kids love Awana! From the games to the verses learned to the lessons shared from God's Word, the time spent at Awana is enjoyed by children, and the truths learned there will impact them for a lifetime. We look forward to seeing your child at Northside Calvary's Awana program on Wednesday evenings from 6:20 p.m. to 8:15 p.m., September through April.

Awana at Northside Calvary Church

At Northside Calvary's Awana club, we love kids! We consider it a privilege to work with the children who come each week, and we desire to share with them the God who loves them unconditionally and sent His Son Jesus to die for their sins.

A Sparkie with one of our leaders

Our Awana club is divided into several smaller clubs:

- Puggles—toddlers ages 2 1/2 to 3 years old (This club is only for children who attend Northside Calvary. All other clubs are available for any child.)
- Cubbies—preschoolers ages 3 and up (This program is designed for the last two years before a child enters kindergarten.)
- Sparks—kindergarteners through second graders
- Truth and Training—third through sixth graders
- Trek—seventh through eighth graders
- Journey—ninth through twelfth graders (meets on Sunday mornings at 9:30)

A Typical Awana Night

We begin our Awana nights in the Game Room, and Cubbies, Sparks, and T&T clubs all participate in the Opening Ceremony where we sing the Awana Song and hear some announcements.

Following the Opening Ceremony, each club will participate in the following activities, each in a different order:

- Large Group Time—During this part of club, children will hear from God's Word. They will learn more about God the Father, God the Son, and God the Holy Spirit. Leaders will help clubbers understand how what we learn from God's Word should impact the choices we make each day. Sometimes the clubbers will also sing songs or hear special speakers.
- Handbook Time—Awana handbooks contain verses to memorize and activities to complete appropriate to each grade level. Our goal for each child in Awana is that they complete one handbook within the year, and with steady work, that goal can be reached. During Handbook Time, your child is able to demonstrate the work he or she has been doing at home and then continue to work toward the goal of completing the handbook. Each child will begin with an entrance booklet and before moving on to a handbook de-

- member of an Awana club (Cubbies, Sparks, T&T, Trek, or Journey) and is entitled to wear the club uniform.
- Game Time—Game Time is a highlight of the evening for many children. The clubbers are assigned to one of four color teams—red, green, blue, or yellow. A special Awana Game Circle is used during Game Time, and each year we practice special games in the hope of having a large enough team to participate in Sparks-A-Rama and the Awana Games in February or March with clubs from other churches.
 - Awards—As clubbers progress through their handbooks, they earn awards along the way. These awards can be displayed on their Awana uniform.
